License Agreement on this date \_\_\_\_\_ for the non-exclusive first serial print rights to the selected serial stories between Missouri Press Foundation (MPF) and \_\_\_\_\_ (Name of Newspaper)

The Newspaper agrees:

- To pay upon signing the non-refundable amount of \_\_\_\_\_, based upon the Newspaper's circulation of \_\_\_\_\_.
- The Newspaper will not make additions to, or changes in, the text, title or appropriate credit lines accompanying each installment without the prior written approval of MPF and the author.
- The license hereby granted applies to the publication of the selection in the newspaper named in this agreement and for the retention of material in its archive edition of the same date.
- The Newspaper shall not license the republication of this content by any third party, including any other newspaper owned by the same corporation, which must contract independently to publish the selection.
- The selection shall be printed and distributed within one year of the date of this contract, or as further set out in paragraph 8 below.
- If seeking electronic rights, the Newspaper confirms that the materials will be published only on a website which is secure, which is defined as one which is available only to subscribers of said Newspaper (further defined as persons paying a fee to said Newspaper for online access to content) and that said materials will NOT be made generally available on a website which is accessible to the general public for free.
- The Newspaper agrees that should it be found in breach of the terms of this agreement in that it has placed the serial story on a non-secure website, that it will agree to pay MPF liquidated damages in the sum of twenty times the licensing fee set out in paragraph 1 of the underlying Agreement, inasmuch as actual damages are difficult to ascertain in such matter.
- This license shall terminate (a) if any provision of this agreement is violated, or (b) the selection should not be published by the Newspaper within 1 year or 70 days from the date of publication of the first chapter.
- The Missouri Press Foundation agrees to indemnify and defend the Newspaper for any claim or suit that may arise out of publication of the material licensed to the Newspaper under this agreement.
